Dear Mr. Saylor:

I am writing to thank you for all your help and concern regarding my home on Lot 127, mid Hampton Sub., Sterling Heights.

From the time we purchased the home, to the time it was finished, we were given personal service by you and Mr. Rooney. The home was completed right on time, in fact, one week early.

We did have some repairs to be completed in your home after we moved in and you were always available to help and assist in getting the repairs completed.

To this I say, along with my wife, thank you very much. We are satisfied and all repairs are complete.

Thank you.

Sincerely,

  
Thomas G. Korth
