Dear Jack:

A long over due note to let you know that I thank you for a "Job Well Done." I thank you for your honesty, your time, your sense of fair play, your experience and your integrity.

I hope that in a few years you and your son will build another home for me and my family if the situation arises.

Jack, I couldn't give anyone a higher recommendation than Saylor Building and yourself personally.

Sincerely,

PAUL L. WALEKE
